Early Years Foundation Stage (EYFS)

The EYFS offered in the nursery encourages children to develop positive attitudes to people who are different from them. It encourages children to empathise with others and to begin to develop the skills of critical thinking.

We do this by:

- making children feel valued and good about themselves
- ensuring that children have equality of access to learning and opportunities
- reflecting the widest possible range of communities in the choice of resources
- avoiding stereotypes or derogatory images in the selection of materials
- celebrating a wide range of festivals
- creating an environment of mutual respect and tolerance
- helping children to understand that discriminatory behaviour and remarks are unacceptable
- ensuring that the curriculum offered is inclusive of children with learning difficulties and or disabilities and children from disadvantaged backgrounds
- ensuring that children whose first language is not English have full access to the curriculum and are supported in their learning.

Food

- we will work in partnership with parents to ensure that the medical, cultural and dietary needs of children are met
- we will help children to learn about a range of food, cultural approaches to meal times and eating, and to respect the differences among them.

Meetings

- meetings will be arranged to ensure that all families who wish to, may be involved in the running of the nursery

- information about meetings and activities will be communicated in a variety of ways according to individual needs (written, verbal and translated), to ensure that all parents have information about access to the meetings.
